European Hanging Bins

Bins mounted on runners can be positioned near the top of the cabinet so that waste is moved easily from the bench to the bin.

Premium Range

- 60 litres capacity system (2 x 30 litre bins).
- Configured for cabinets 450mm, 500mm and 600mm wide.
- Supplied with industry-leading soft close, full extension drawer runners, fixings to fit a drawer front, metal lid for storing gloves, sponges etc.
- Metallic grey frame, grey bins.

SPECIFICATIONS – European Hanging Bins

ITEM NUMBER		
GBIN45.60	For 450mm Cabinet	400mm W x 500mm D x 480mm H
GBIN50.60	For 500mm Cabinet	450mm W x 500mm D x 480mm H
GBIN60.60	For 600mm Cabinet	550mm W x 450mm D x 480mm H

Concept Range

All Concept kits are for drawers 500mm deep.

Concept 560 kits can be fitted into industry-leading runners that are already installed in the cabinetry. The main benefit is that all the drawers, including the one carrying the bins, are the same throughout the kitchen.

- Blum Tandembox Plus, Blum Tandembox Intivo, Grass DWD XP, Grass Nova Pro Deluxe, Grass Nova Pro classic and Hettich Architech.
- For cabinets 300mm, 400mm, 450mm and 500mm wide.
- Capacity from 16 litres to 58 litres.
- Bins either 298mm or 463mm high and are supplied with lids.
- Can be mounted in 16mm and 19mm cabinets.

Note: These kits cannot be installed in drawers where the Blum Tip On system is used.

Concept Range

Concept 571 kits fit into Blum Legrabox, C height.

- For cabinets 450mm and 600mm wide.
- Capacity from 37 litres to 60 litres.
- Bins either 368mm or 463mm high.
- Can be mounted in 16mm and 19mm cabinets.

Note: these kits cannot be installed in drawers where the Blum Tip On system is used.
