

BLIND CORNER

SIGE ECO NUVOLA

FEATURES

- Fits a number of cabinet sizes
- Easy to install and operate
- The kit includes two pull out shelves and a mounting track
- Each shelf is installed separately and the track is fixed to the cabinet shelf immediately below the Nuvola shelf
- Left Hand + Right Hand models available (Right hand model pictured, Left hand model would come out from the left side of the corner cupboard)
- The shelves have a white melamine base with chromed edge and a single round wire rail
- Each shelf is operated independently
- Maximum load per shelf is 20 kg
- A frame kit is available to use instead of building a middle shelf in the cabinet.
