

ACCESSORIES

REPAIR KIT

Minor damage to baths, basins or tiles can easily be repaired with this repair kit.

Acting as a long-lasting filler and a top coat, this makes it ideal for touching up ceramic, enamel, acrylic, metal, powder coated, or painted surfaces.

This robust, temperature resistant, industrial quality kit allows you to cost effectively deal with minor damage in your bathroom.

- Suitable for baths, basins, shower trays, kitchen sinks
- Easy to use
