Beautiful and tactile, these artisan fireclay sinks are handcrafted, using traditional techniques, making them practical and hardwearing.

Each sink is unique because they are handmade by Master Craftsmen using the same methods of traditional craftsmanship since 1897.

Luxurious, durable, anti-bacterial glaze finish.

### SHAWS BOWLAND

The Bowland is a beautifully crafted, iconic single bowl sink with a fluted front. It makes the perfect solution for a traditional country-looking kitchen.

- Requires either Type A basket strainer waster or waste disposal system

Item Code	Item	Width	Depth	Height	Quantity
KTSB600	Shaws Bowland 600 Butler Sink	595mm	465mm	220mm	Each

- HAND MADE -  
FIRECLAY

Fireclay is a natural product and therefore subject to surface variations. This should be seen as a quality that adds to its natural beauty.

Due to Shaw's fireclay ceramics being beautifully handcrafted all sink sizes are +- 2% variance from specified dimensions. We recommend your kitchen manufacturer is aware of this and that no benchtops or cabinets are cut until your sink is on site.
