

# BUTLER SINKS

## SHAWS SHAKER

The Shaker features a deep bowl and clean sharp lines. This versatile and timeless sink adds a touch of elegance to any kitchen.

- Requires either Type A basket strainer waster or waste disposal system

| Item Code | Item                         | Width | Depth | Height | Weight | Quantity |
|-----------|------------------------------|-------|-------|--------|--------|----------|
| KTSCS600  | Shaws Shaker 600 Butler Sink | 595mm | 465mm | 255mm  | Each   | Each     |

Due to Shaw's fireclay ceramics being beautifully handcrafted all sink sizes are +- 2% variance from specified dimensions. We recommend your kitchen manufacturer is aware of this and that no benchtops or cabinets are cut until your sink is on site.
